Amendments to the Claims

- 1. (Original) A process for producing a shaped food which comprises expanding hydrated dough containing soybean 7S protein by heating, followed by drying the expanded dough.
- 2. (Original) The process for producing the shaped food according to claim 1, wherein the hydrated dough contains a starchy substance.
- 3. (Original) The process for producing the shaped food according to claim 2, wherein the dough contains not less than 30% by weight of soybean 7S protein and not less than 10% by weight of the starchy substance in the solids content of the dough.
- 4. (Original) The process for producing the shaped food according to claim 1, wherein the dough is expanded by sandwich baking or microwave heating.
- 5. (Original) The process for producing the shaped food according to claim 1, wherein the final water content in the shaped food is not more than 12% by weight.
- 6. (Original) The process for producing the shaped food according to claim 1, wherein the water content in the dough at the completion of expansion by heating is not more than 30% by weight.
- 7. (Currently amended) A shaped food obtained by the process according to any one of claims 1 to 6 claim 1.
 - 8. (New) A shaped food obtained by the process according to claim 2.
 - 9. (New) A shaped food obtained by the process according to claim 3.

- 10. (New) A shaped food obtained by the process according to claim 4.
- 11. (New) A shaped food obtained by the process according to claim 5.
- 12. (New) A shaped food obtained by the process according to claim 6.
